

## BERTAZZONI COOKERS

---

Bertazzoni range cookers are precision engineered to the highest specifications for exceptional reliability and durability.

They are designed and built in Emilia-Romagna, Italy's heartland of food and cooking. With the imaginative details and good looks for which Italians are renowned, a Bertazzoni inspires all the delights of good living at home.

As more homeowners appreciate the ease and elegance of a Bertazzoni in their kitchens the reputation has grown for a strong and superior design, fit and finish. A Bertazzoni range cooker will last a lifetime.
